Case No. 3:08-CV-1434

Judge David A. Katz

**UNOPPOSED MOTION TO EXTEND
DEADLINE TO FILE CLASS
CERTIFICATION MOTION**

Defendant, Andrea Brent, hereby moves this Court for an Order extending the deadline for the submission of her Motion for Class Certification in this case. Pursuant to a Case Management Conference held with this Court on December 15, 2009, Brent's Motion for Class Certification is to be filed by January 29, 2010.

Brent has requested leave to file an amended counterclaim which changes the description of the class members she seeks to represent. However, Brent's motion to amend has been opposed by Midland. Brent's reply brief, in response to Midland's opposition, will be filed on or before February 1, 2010, when it is due. Until this Court makes a determination on Brent's motion for leave to amend the counterclaim, the description of the class is uncertain.

Accordingly, Brent requests an Order allowing for thirty days, from the time of the decision regarding her Motion for Leave to File a Third Amended Counterclaim, in which to file her Motion for Class Certification.
